PROFILE

I'm a Computer Science and Cybersecurity student at Prince Sultan University, deeply passionate about cybersecurity. I'm dedicated to mastering the intricacies of securing digital landscapes, combining theoretical knowledge with hands-on experience to create a safer online world.

EXPERIENCE

CO-FOUNDER | Riyadh, KSA

- Aug 2023 – Present

AutomateX Club At PSU

AutomateX at PSU is a specialized student-run organization committed to fostering expertise in automation technologies. As a non-profit initiative, we provide hands-on learning experiences, industry insights, and a collaborative environment for future leaders in automation. From workshops to hackathons, we aim to accelerate technological innovation on campus and beyond.

PwC Mantee (Elevation Program)

- Sept 2023 – Present

PwC

PwC's Elevate Program is designed to empower students by offering them opportunities to develop essential skills and gain practical experience in various fields such as technology, cybersecurity, consulting, and more. It typically includes workshops, mentorship, networking events, and internships. The program aims to support students in their professional growth, providing insights into the corporate world and helping them build a strong foundation for their careers.

Fellow Student (Forward Program)

- June 2023 - November 2023

McKinsey & Company

McKinsey & Company offers various programs and initiatives for students and professionals, including internships, fellowships, leadership development programs, and workshops. These initiatives are tailored to offer participants exposure to consulting, problem-solving, and leadership skills crucial for success in the business world.
